

Module 2: Design Like a Pro

Lesson 1: Plan and Organize Your Content

Activity 2: Embrace Word Salad

Enter Learner's End Goal (*aka thesis statement*):

Process:

1. Write whatever comes to mind while considering the following:
 - What problem does this topic solve?
 - What experience led you to realize this is important?
 - How do you think you'll accomplish this?
2. Take break, review text, take notes
3. Take another break, review text, take notes
4. Extract key points into potential Topics, Subjects, and Chapter Headings
